

Language Is Your **CAREER SUPERPOWER!**

If you speak more than one language, you have a highly marketable skill because bilingual and multilingual professionals are in **high demand**.

9 out of 10 U.S. employers rely on employees with language skills other than English.

Demand for multilingual employees more than doubled between 2010 and 2015.

Employers estimate a 56% increase in demand for multilingual jobs in the next five years.

5%-20%

Multilingual employees get paid 5%-20% more per hour than monolingual professionals.

- Bilingual and multilingual jobs in the U.S. are on the rise.
- Bilinguals and multilinguals on average make more per hour than their monolingual counterparts.
- Bilinguals and multilinguals are known to be multitaskers and problem solvers—qualities you want to make known while looking for a job.

Bilingual? Multilingual? Show It with a Test!

Take an ACTFL test to certify your language abilities. An official ACTFL language certificate is **an employability asset** with many benefits:

- ★ Official credential you can add to your professional portfolio.
- ★ Boosts your career prospects and makes you stand out in the job market.
- ★ Can earn you college credit if you go to a 4-year degree program.

Let your **LANGUAGE SUPERPOWERS** shine!

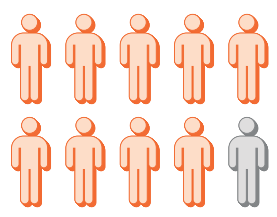

Speak to your advisor or director to learn more about taking an ACTFL test.
