Took the test to earn a credential for academic purposes

### RECENT TESTIMONIALS

*"It was convenient. I was able to do it at home, on my own schedule".*

*"LTI's remotely proctored assessment was more affordable than taking an online college course to complete my language requirement."*

*"I love that I can add my credential and language skill level to my resume."*

*"Easy to use, with reliable and quick results. I loved talking about my country and the realistic conversational aspect of the test."*
